FINAL PLACEMENTS:

The Final Placement process of the PGDM Batch 2013-2015 of the School of Business Management (SBM), Narsee Monjee Institute of Management Studies (NMIMS), Hyderabad is in progress and the campus is heading for yet another successful season of placements. The NMIMS, Hyderabad campus reports a very good placement season this year. The campus has established a long standing relationship with many reputed companies that have visited the campus and made lucrative job offers to our students who are due to pass out in the month of March, 2015. We report that 98% of the batch is already placed. The campus has seen participation from over 40 plus companies till date and a few lined up to close the placement season for 50 students of the PGDM Batch. 10% of the students from the batch who excelled in internship assignments were given a PPI/PPO offer and we are looking to double this percentage for the Batch 2014-2016. This reinforces the strong corporate image of brand NMIMS. The various student driven committees, clubs on campus, our distinguished Alumni and in particular the student placement committee worked indefatigably to ensure that the placement season is a huge success.

SECTOR-WISE PLACEMENTS:
Director’s Message:

“Excellence is doing something extraordinarily well”.

The campus is determined to scale higher levels of learning, research and grow further in the coming years. Reflecting on the placement trend he says that the market acceptability of the students is because of the quality and rigor of the academic processes, industry aligned pedagogy through guest lecture & value added workshops and a strong industry interface.

Director
Dr. B Karunakar
